2005-2006 SCHOOL BUS SCHEDULE

How To Use This Book

For each student in your home that will be riding a bus to and from school:

- 1. Begin by locating each student's school. Schools are listed alphabetically by category: elementary, middle and high schools.
- 2. When you have located their school, read the street names listed (not all streets are listed for each route). When you recognize streets that are close to your home, that group is your student's route.
- 3. The route number is listed to the left of the 1st street in your group.
- 4. The route time, listed to the right of the 1st street in your group is the time of the first pick-up on that route. Students should use the 1st pick-up time for the first week of school until specific pick-up times are established for each stop. Once specific times are established, students are to be at their stop 5 minutes prior to that time to ensure a prompt, safe and orderly loading procedure.
- 5. BUS STOPS WILL BE AT THE CORNER OF INTERSECTIONS, MIDDLE OF THE BLOCK OR OTHER ALTERNATE STOPS APPROVED BY TRANSPORTATION SUPERVISORS FOR REGULAR ROUTES.
- 6. For safety concerns, school buses should not enter cul-de-sacs or dead-end streets to pick-up or drop-off students.
- 7. To provide accurate pick-up times, both terminals are working on central standard time as recorded by the following: (713) 529-4444. For additional information call the following phone numbers:

Bus Rider Rules

<u>Please discuss school bus safety with your children.</u> The following rules must be observed by all bus riders to help ensure a safe bus ride to and from school:

- 1. Conduct should be the same as expected in the classroom. Students should remain seated, facing forward when the bus is in motion.
- 2. Students may talk quietly to those seated next to them. No screaming or other noise is permitted that will distract the bus driver from his/her primary duty of driving the bus safely. Profanity is not permitted.
- 3. No eating or drinking is permitted.
- 4. Students must cooperate with the bus driver and obey any instructions given to them by the bus driver.
- 5. The use of alcohol, drugs or any tobacco product is prohibited.
- 6. Vandalism to any part of the bus is prohibited. Parents will be responsible for the cost to repair any damage done by their child. Trash should be placed in the trash can provided.
- 7. It is very important that each child keep their head, hands and feet inside the bus no hanging out the windows.
- 8. Students will be <u>assigned to a specific seat on the bus</u> and must sit in this seat unless otherwise instructed by the driver.
- 9. Students must ride their assigned bus. Written approval by a principal is required to ride a different bus.
- 10. No animals or insects are to be transported on a school bus.

Students who violate bus rules will be referred in writing to the School Principal. Continued violation of the rules may result in suspension of riding privileges.

In addition, it is very important that the following rules are followed when unloading the bus:

- 1. Students should move immediately away from the bus as they unload. Care should be taken to stay away from the wheels and the areas in front of and along the sides of the bus.
- 2. If a student must cross in front of the bus, they should:
 - a. Exit from the bus, stay on the curb or edge of roadway and move to a point approximately 10-15 feet forward of the front bumper of the bus.
 - b. Wait for signal from bus driver before crossing roadway.
 - c. <u>Never</u> stop or go back to pick-up dropped books or other articles unless the bus driver gives approval. The bus driver may not see you.
- 3. Always cross in front of the bus <u>never behind the bus</u>.

Students who behave inappropriately at bus stops will be referred in writing to the Principal.

ELIGIBILITY

Students who live within two miles of the school they attend are not eligible for free transportation unless a condition exists which would present a hazard to the student when walking to or from school. As adopted by the Board of Education for the Fort Bend Independent School District, "a hazardous condition exists when no walkway is provided and children must walk along or cross a freeway or expressway, an underpass or bridge, an uncontrolled major traffic artery, an industrial or commercial area or another comparable condition."

HIGHTOWER, MARSHALL and WILLOWRIDGE HIGH SCHOOLS

All Academy students will be notified by mail or phone.

PAY TRANSPORTATION INFORMATION

- 1. Pay transportation requests will be honored on a space available basis only.
- 2. Applications are available at the school the child attends or at the Transportation Center.
- 3. Please allow five working days for processing an application.
- 4. Pay transportation is **NOT** provided for Intra-District Transfer.

TO THE PARENTS OF KINDERGARTEN STUDENTS

For the safety and protection of your child attending kindergarten classes, please note the following procedures.

- 1. Kindergarten classes will not be established until the week that school starts. We will not have a complete list of students until that time.
- 2. Kindergarten children should have a name and address tag pinned on their clothing. **DO NOT PUT THESE TAGS IN A BACK PACK.** Names and addresses must be visible. Please keep these tags on students for **two** weeks.
- 3. Drop-off times may vary for the first two weeks of school until routes are established. Dismissal is at the regular 3:00 P.M. elementary dismissal time.
- 4. If we feel that the safety of your child is in question, he or she will be returned to the school.
- 5. We encourage you to meet your child every day.

If your student's bus is late arriving, please allow at least 15 minutes to pass before calling the Transportation Department.

During inclement weather, please allow more time for your students to arrive home. The safety and well-being of our students is always our top priority.

Just a reminder - **STATE LAW REQUIRES ALL VEHICLES TO STOP WHEN APPROACHING A SCHOOL BUS WITH THE RED LOADING LIGHTS FLASHING!!** "PASSING A SCHOOL BUS" – TRANSPORTATION CODE 545.066 – Class C Misdemeanor

In addition, by state law "a person commits an offense if the person intentionally disrupts, prevents, or interferes with the lawful transportation of children to or from school or an activity sponsored by a school on a vehicle owned or operated by a county or independent school district."
